Colors are the smiles of nature

CLASS NOTES:

2 THINGS I LEARNED FROM THIS CLASS:

DESIGNS I WANT TO RE WATCH:

SOMETHING THAT INSPIRED ME:

Rainbow Wings

1 - Use a sponge loaded with two colours to paint the top and bottom wing shapes

2- 3/4" Flat Brush & Angled Brush - With your first splitcake create a rainbow across the forehead. With your second splitcake paint in the edges of the wing shapes

3 - 3/4" Flat Brush - Switch back to the first splitcake and add the internal sections of the wings

4 - No. 1 Liner Brush - Carefully paint a white outline around the wings. Add starbursts and gems to the rainbow. Use the first splitcake for lipstick. Add a large gem to the centre of the design. Finish with glitter

Rainbow Mask

1 - Use a teardrop sponge to fill in the eyelids with your chosen splitcake. Remove any excess paint above the eyebrow with a wipe

2 - 3/4" Flat Brush Paint a rainbow across the forehead. Flip the brush and add a smaller arch underneath, be sure to leave a good sized gap between them

3 - Round No.2 - Use white to paint in groups of teardrops around the eyes and in the centre of the design

4 - No. 1 Liner Brush - Use dark blue to give the mask an outline. Stick a small gem in the centre of the design. Add glitter gel to the open section between the rainbows. Finish with lipstick

Floral Rainbow

3 - 3/4" Flat Brush. Use a sponge to fill in the eye area with your chosen rainbow cake. Use a splitcake to paint a rainbow over the forehead

2- Flora 8 Brush - Double load your brush with white and blue. Create two large flowers at the base of the rainbow. Press the brush down twice for each petal and then turn it on its side to add the point. Add two smaller flowers at the outside corners of the eyes, this time only press once for each petal before adding the point.

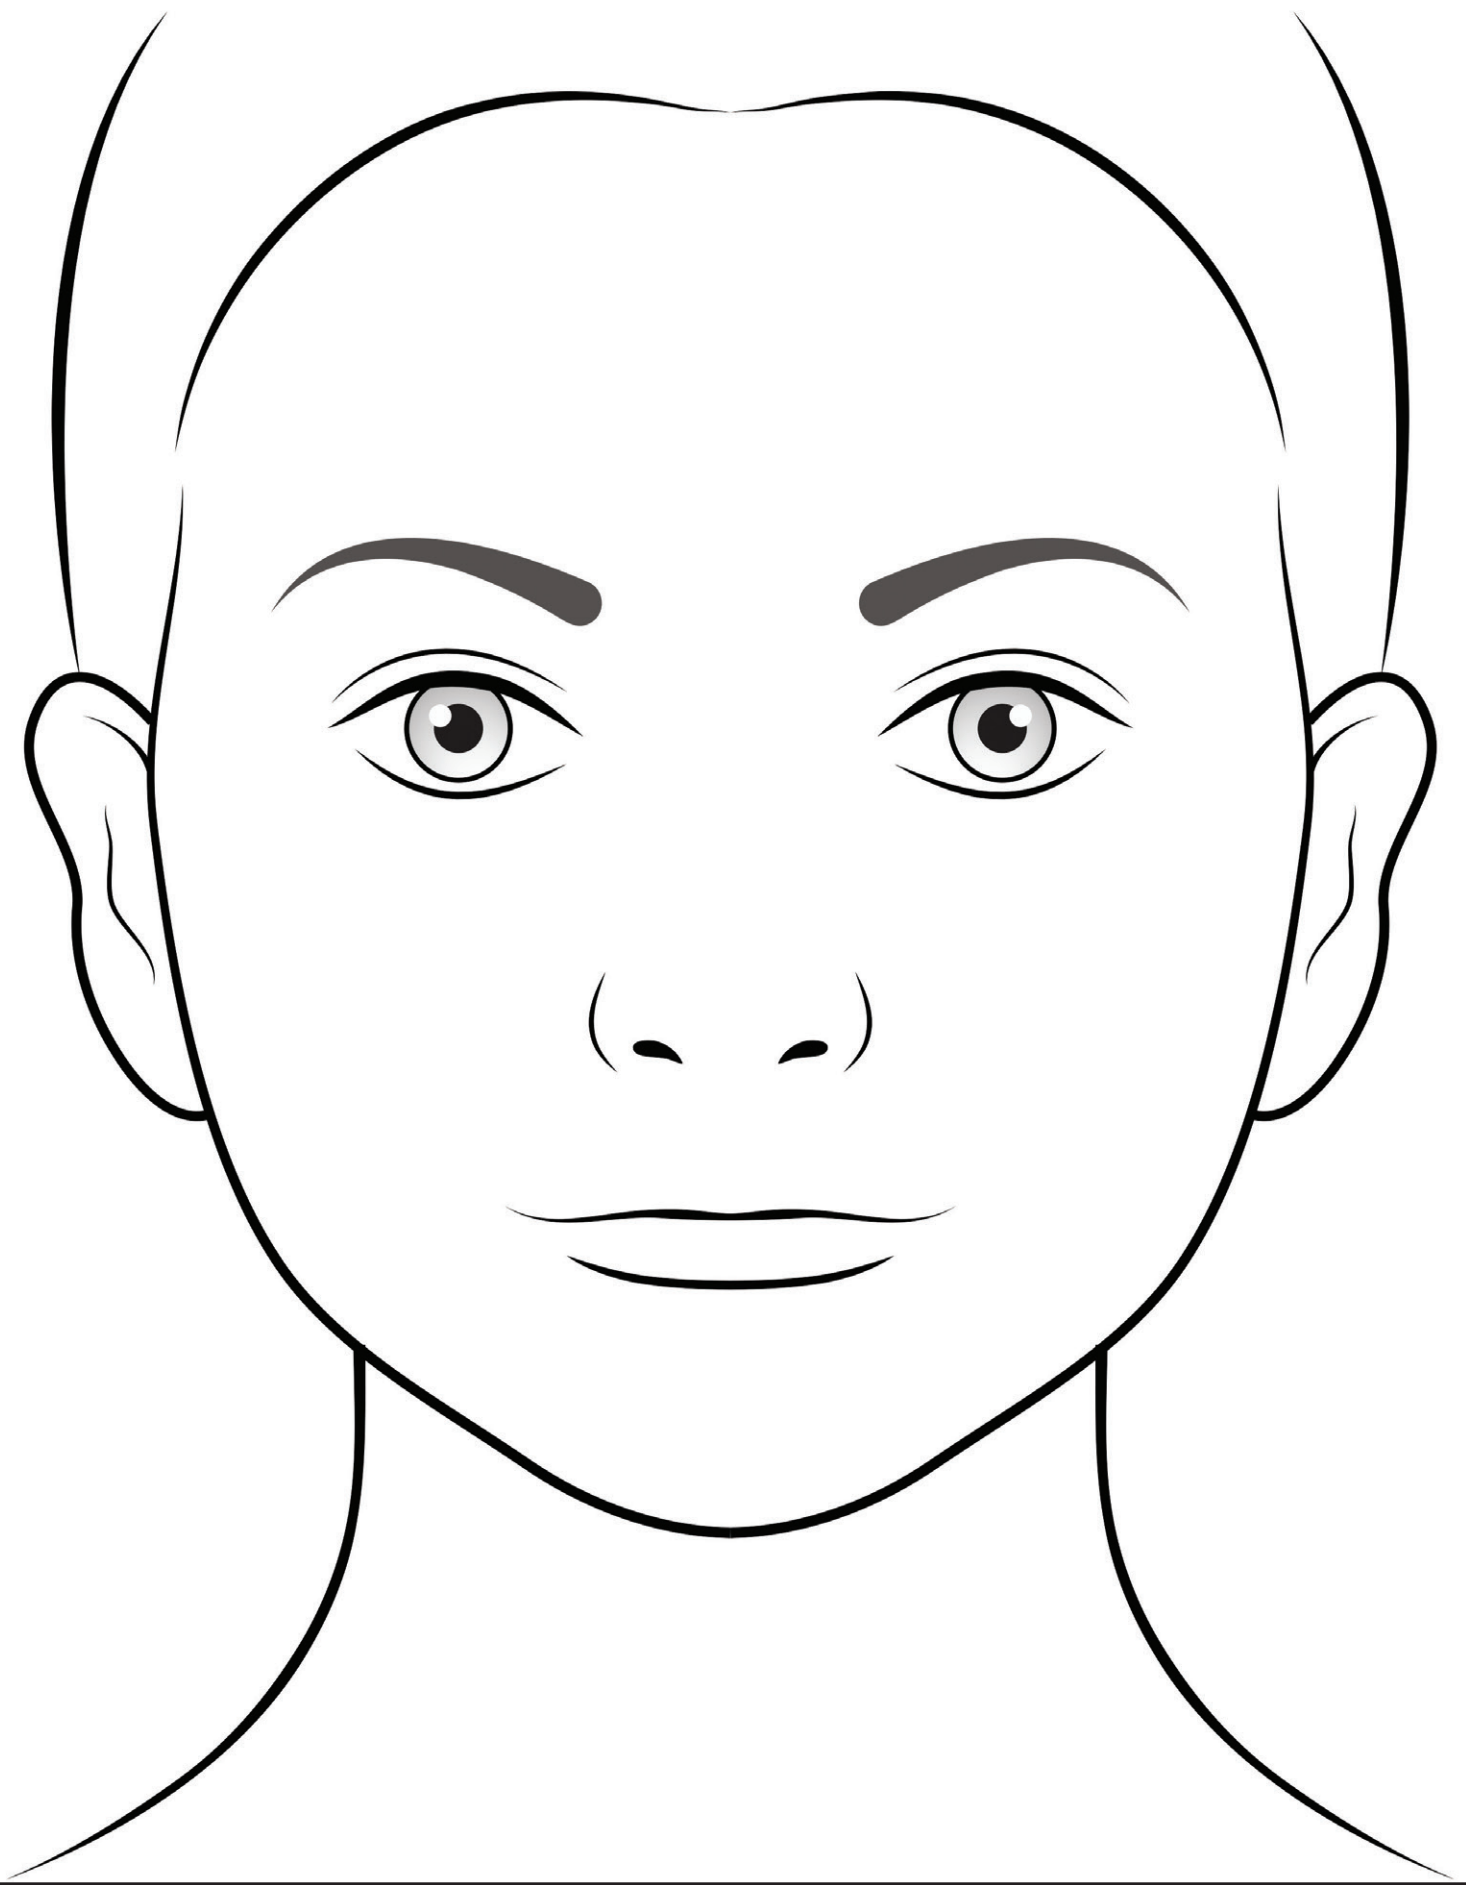

3 - Pretty Petal Brush - Double load your brush with white and pink. Paint a flower in between the blue flowers. Add some trailing petals above and below the eyes. Use green to paint the leaves

4 - No. 1 Liner Brush - Place white teardrops around the design in groups of 3 or 5. Add star bursts and dots to the rainbow and cheek. Stick small gems to the centre of each flower. Add lipstick
