*Create the things you wish existed*

Join Eva in her Debut Class ! In this class she will show you basic tribal designs. Learn how to incorporate different types of line work in Butterflies tigers and eye swirls! This class is great for upgrading your current line work and for beginners! Get your favorite brushes and supplies and let's paint!

### CLASS NOTES:

### 2 THINGS I LEARNED FROM THIS CLASS:

### DESIGNS I WANT TO RE WATCH:

### SOMETHING THAT INSPIRED ME:

# Tiger

Base with orange or tiger split cake, white over the eyes and muzzle, and shade in with gray.

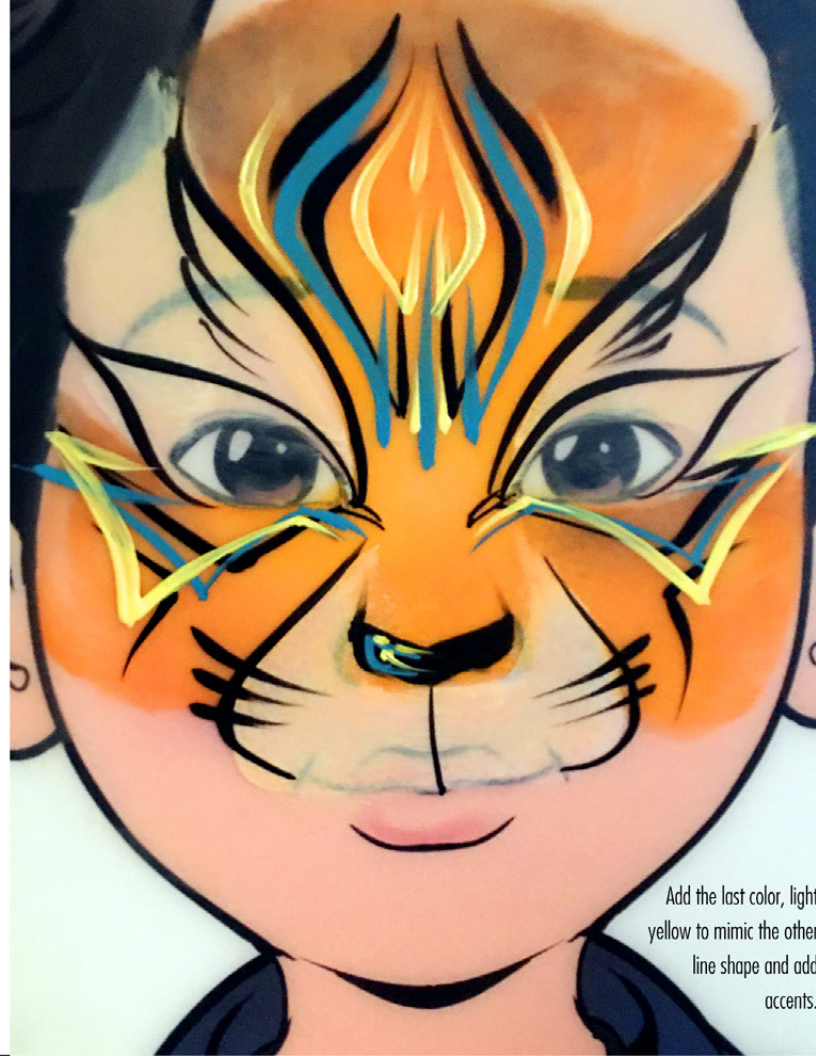

Regular black tiger lines over the eyes and muzzle.

Pinstripe style lines in black on forehead and cheek

Add the teal stripe lines in between the black lines

Add the last color, light yellow to mimic the other line shape and add accents.

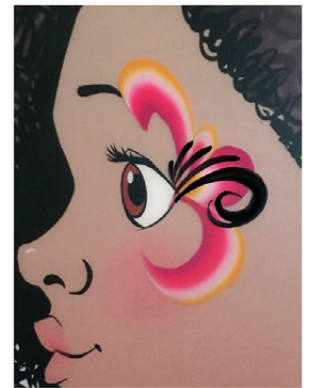

Bring a swirl from outside the swirl, through the swirl into the side of the eye, then add teardrops below the second swirl into the first

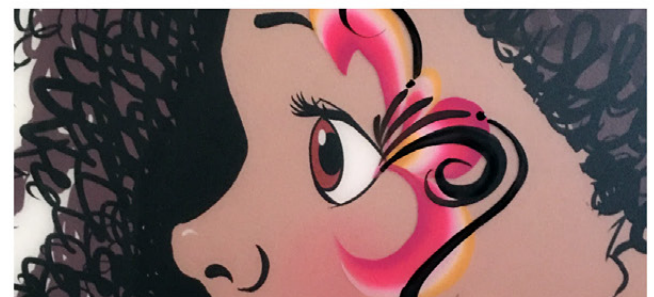

# Berry Pretty

Leanne's Berry Pretty one stroke base

4 teardrops and a swirl placed to the side of the eye

Place a dot to the side of the swirl above the swirl, then continue a line down into an opposite swirl.
