James Hunt

WHAT IS JAGUA HENNA?

In this class Melissa will teach you about Jagua. Jagua is a rain forest fruit, that has been used for over 2,000 years by tribes to body paint, and now more commonly used to do mehndi designs. As she educates you on this natural fruit that creates gorgeous designs, she will also teach you the application and removal process. Now lets get started.

FUN, EASY, FESTIVAL HENNA

Henna Mystic Melissa Adams brings you this wonderful class with fun, easy designs great for festivals. As she brings different ideas such as simple henna jewelry, traditional mandalas, a cool dragon for boys, and a quick arm design these ideas are great to apply on the job.
