# Mythical Creatures

Using a Soft cream pencil, carefully sketch the lines you would like to create for your Mythical Creature. Focus on the Expressions and the details for the Final Line work at the end of your design

Apply the base colors, in this case FAB Mustard and Lemon Lime. Concentrate on Blending the colors and using the Green for shading

Using your Favorite Organic scale stencil from Bam apply this stenciling with the Green to add texture.

Using a Light brown fill in the eyes and trace the lines from step one.

Add black with the Organic Stencil for shading, Add details around the eyes and some of the main lines around the mouth and Face to add depth.

In this final step use white to highlight the eyes forehead nose and mouth with fine lines to make your design pop!
